MILES CITY FIELD OFFICE

2005 NEPA LOG

This log identifies the initiation and approval of environmental documents that are being completed or have been completed as part of the National Environmental Policy (NEPA) for specific actions prior to making a BLM decision on that action. If the public has any concerns or wishes to provide comments on the proposed action, we invite the public to do so. Any comments received will be considered in the preparation of NEPA documents. Please feel free to contact the author of the Project Name identified on the log or you may submit written comments to the Bureau of Land Management, Miles City Field Office, 111 Garryowen Road, Miles City, MT 59301-0940.
