Public comments on the Dillon Draft Resource Management Plan and Environmental Impact Statement (DRMP/EIS)

### **MUST BE RECEIVED**

in the Dillon Field Office by **4:30 PM, Monday, July 12, 2004** in order to be considered as the BLM prepares the Proposed RMP and Final EIS. To be most helpful, comments should be specific and address the adequacy of the statement and the merits of the alternatives, with rationale explaining changes that you think would improve the RMP.

There are still copies of the document available upon request, and the document is also posted on the project website at [www.mt.blm.gov/dfo/rmp](http://www.mt.blm.gov/dfo/rmp). Contact Renee Johnson at (406) 683-8016 if you would like to receive a copy.

### **MEETING ATTENDANCE LOW**

Despite numerous press releases and mailings to almost 600 folks interested in the Dillon Resource Management Planning process, only 49 members of the public took advantage of the five open houses held in May on the Dillon RMP or attended one of the two comment meetings. We encourage you to take the time NOW to add your voice to the planning process by sending us comments and concerns, especially on the Preferred Alternative, as we move forward to developing the Proposed RMP and Final EIS that will guide management of the lands and resources administered by the BLM in Beaverhead and Madison Counties.

### **Disclosure of Names And Comments**

Comments, including names and street addresses of respondents, will be available for public review at the BLM Dillon Field Office, 1005 Selway Drive, Dillon, Montana during regular business hours (7:45 a.m. to 4:30 p.m.), Monday through Friday, except holidays. Individual respondents may request confidentiality. If you wish to withhold your name or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.
