Dear Reader:

Attached is the Decision Record and Finding of No Significant Impact (FONSI) for the 2001 Pompeys Pillar Interpretive Center Environmental Assessment (EA)/Amendment for the Billings Resource Management Plan. Also attached is the Decision Record and FONSI for the Activity Plan portion of the 2001 Pompeys Pillar Interpretive Center EA and Activity Plan. The decisions provide the most flexibility to manage the site while protecting the outstanding resource values and visitor opportunities.

Thank you for your interest and participation in the environmental process. We are anxious to proceed with our decision. If you have any questions about the enclosed decision documents, please contact Richard Kodeski at (406) 896-5235 or me at (406) 896-5013.

Sincerely,

Sandra S. Brooks
Field Manager
