NEPA Log

FY 2010

This log tracks initiation and approval of environmental documents that are being or have been completed as part of the BLM's responsibilities under the National Environmental Policy Act (NEPA). As a member of the public, you are invited to provide comments/concerns on any of the proposed actions associated with this NEPA log. These comments will be considered during the NEPA analysis and decisionmaking process for the applicable project. Under the column "Comment Period," Y means there is a formal comment period during a definite period. N means there is no formal comment period and comments should be submitted prior to the estimated decision date. Please feel free to provide comments to or request information from the contact identified on the log. You may also submit written comments to the Bureau of Land Management, Upper Missouri River Breaks National Monument, 920 NE Main Street, P.O. Box 1160, Lewistown, MT 59457. Click on the NEPA number to go to either a summary of the proposed project or to the document itself.
